Auto power off when waste bin is full

Oiling procedure:

1. Turn off shredder and open the lid.
2. Carefully apply shredder oil across feed slot
3. Close the lid & switch shredder to reverse mode for 3~5 seconds.

Note: lubricating oil is NOT included.

⚠ Caution:

- Do not spray or keep any aerosol products in or around shredder.
- Do not use canned air on shredder.

- 4-Digit programmable pin code locks the top lid paper tray, ensuring sensitive documents are protected during shredding
