RE: LDPE BLEND 100% RECYCLABLE

This letter serves to confirm that the material (LDPE blend) that is used in the JA0402R and the printed outter sleeve has 60% recycled content and is 100% recyclable.

The manufacturer of these refuse bags, is one of the largest polyethelene recyclers of post-consumer plastic waste in Africa, specialising in the recycling of low and high density polyethelyne originating from shopping centres, industrial and agricultural activities and landfill sites.

Further, Parrot Products is committed to protecting the environment and doing the right thing for our customers and the planet.

Your faithfully,
Parrot Products
