Tools required:

Drill machine

Pencil

Drill bit

Level

Screwdriver

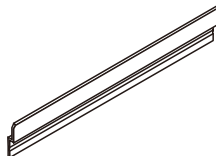

Mounting Accessories Included:

Screws

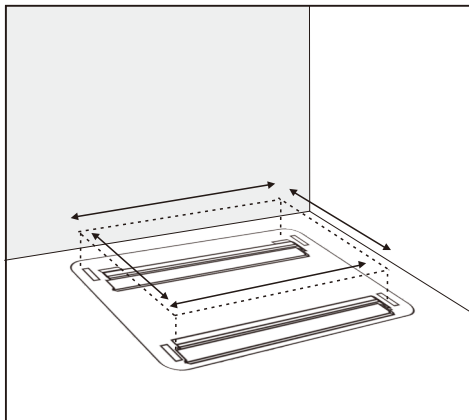

Wall plugs

Mounting Strips

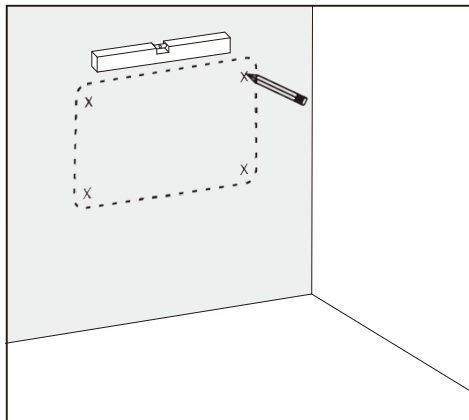

Mounting Instructions:

Step 1

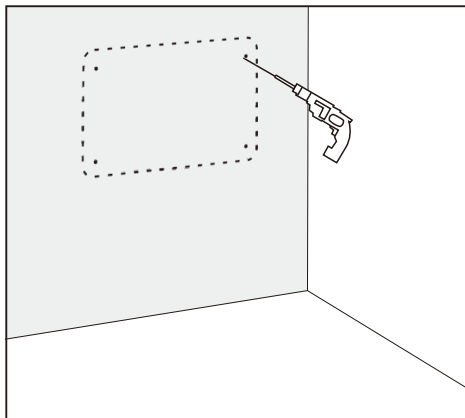

- Carefully place Floating Glass board face down on a flat floor surface.
- Measure the distance of the mounting holes on each mounting strip.

Step 2

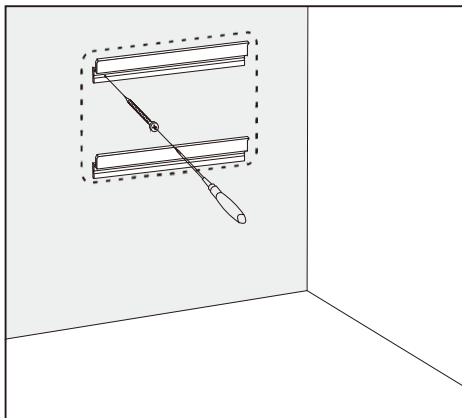

- Mark the mounting measurements on the wall.
- Use a spirit level ensuring markings are straight.

Step 3

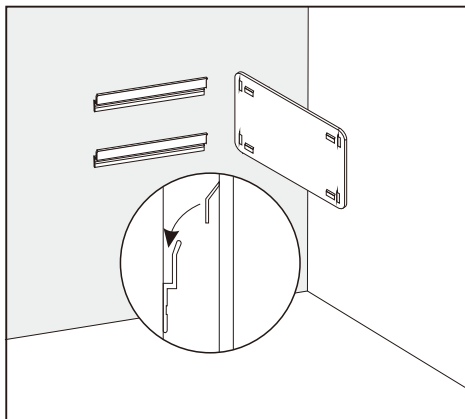

- Drill mounting holes at each pencil marking.
- Secure a wall plug in each mounting hole.

Step 4

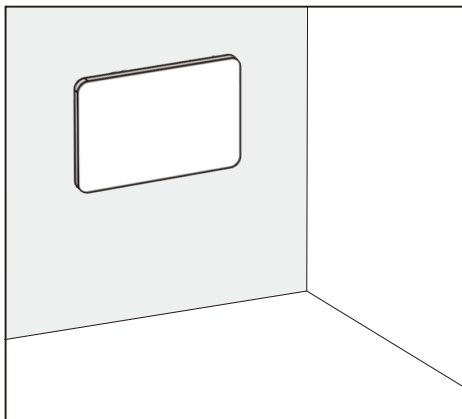

- Position and align the mounting strips to wall plugs and secure using mounting screws.

Step 5

- Align and hook in the glass board mounting tabs to the mounted strips.

Step 6

- Mounted board has a sleek frameless finish.
