

## YOUR TRAINING. YOUR TIME. YOUR CERTIFICATION.

### *Parrot's Oline Orientation Training*

**Your product purchase now includes lifetime access to our Online Orientation Course - replacing traditional face-to-face training.**

#### **What's Included:**

- Lifetime access for 10 users per unit purchased
- Short, focused video lessons (<5min each)
- Complete at your own pace - anytime, anywhere
- Professional certificate upon course completion
- Great for onboarding, refreshing skills, or demonstrating competency

#### **Why It's Better Than Face-to-Face:**

- No scheduling delays - instant access
- Repeat access anytime – never lose the knowledge
- Covers all key functions and use cases
- Supports scale: ideal for large schools or multi-branch rollouts
- Removes the need for site coordination or travel planning

#### **Still Need In-Person Training?**

We've got you covered. Reach out to a Parrot Products specialist to secure a quote for your requirements.
